Dear Parent,

Since the school has reached its last week before it will be closed for summer break of the students from Friday, 12th May 2023, we would like to thank all the parents for their support and cooperation. We believe that the students have settled in their classes, with the teachers, with new routine and new initiatives which everyone is aware of.

We wish the kids a wonderful summer break and sincerely hope that they will be encouraged at home to adhere to a set routine and perform as well as possible during the activities that are listed in the classes' holiday homework. We respectfully request that you spend this time working on their general skill development so they can make the most of this time to improve themselves.
